

Nature BINGO

See, hear, smell and feel as many of the things below as you can. Please stay on the trails as you observe these things in the parks. See if you can get 5 in a row, down, across or diagonally. Good luck!

<p>Smell a sassafras leaf</p> 	<p>Touch a tree with shaggy bark</p> 	<p>Find an animal shelter that is at the top of a tree</p> 	<p>Hear water flowing</p> 	<p>Find a spider web (Is there anything in it?)</p> 
<p>Hear a squirrel</p> 	<p>Find a plant with buds</p> 	<p>Look for evidence that humans have been here</p> 	<p>Count silently for 30 seconds (How many natural sounds did you hear?)</p> 	<p>Find three different colored spring wildflowers</p> 
<p>Find an area that was once covered by water</p> 	<p>Smell a spring wildflower</p> 		<p>Find something moved by the wind</p> 	<p>Look for animal scat (Don't step in it! Yuck!)</p> 
<p>Hear a bird song or call</p> 	<p>Find an animal shelter low to the ground (Be careful not to disturb it!)</p> 	<p>Find a plant that looked different during the winter</p> 	<p>Feel a smooth leaf</p> 	<p>Find a tiny plant</p> 
<p>Find seeds that small animals might like to nibble</p> 	<p>Find a recycle bin and recycle an item you're finished using</p> 	<p>Touch a tree with moss growing on it</p> 	<p>Find animal tracks in the mud</p> 	<p>Find something a bird might use to make its nest</p>
