

SUSTAINING OUR WORLD SPEAKER SERIES

DOUGLAS FARR

FAIA, FCNU, LEED Green Assoc.
Farr Architects

Join us for a discussion on the actions each of us can take to reduce our contributions to global warming. Everything from where we live and work, how we get around, the buildings we occupy, the clothes we wear, the appliances we use and the food we eat. Learn how the new Climate Action Museum in Chicago seeks to change our feelings about climate from despair to hope and how we might do the same in Toledo.

**LIGHT REFRESHMENTS PROVIDED.
RESERVATIONS REQUIRED. FREE ADMISSION.**

For more event information and to reserve your free tickets, visit MetroparksToledo.com/sowseries or call 419-407-9700.
