This permit authorizes the killing of a total of **250** deer on properties listed on this permit.

The following types of deer may be killed:  Antlerless deer  Antlered deer

The following must be notified: (not required to notify if "N/A" is written).  
before shooting each day: **Lucas Co. Reg. Dispatch** at (419) 255-8443  
after shooting each day with the number of deer shot: **Lucas Co. Reg. Dispatch** at (419) 255-8443

Special conditions of this permit: **Contact must be made with Bob Ford @419-889-8245 after each day. Culling must be conducted as indicated in the 2024-2025 Deer Mgt. Plan and Request for Deer Damage Control Permit submitted to the Div. of Wildlife (DOW) on 11/21/2023. No more than 30% of deer taken under this permit may be antlered. The DOW may request collection of disease samples at a later date, based on need. There are no restrictions on shooting times and use is allowed during deer gun, and muzzleloader seasons. Use of vehicles in culling activities is allowed under this permit.**

ZC (Initials) I acknowledge that if I am not the landowner, I must have written permission from the landowner prior to utilizing this permit to conduct control activities on the listed property(ies).

ZC (Initials) I certify that I have read and understood all of the rules and conditions for the use of this permit listed on the front and back of this permit. Further, I understand that any failure to comply with all of the provisions of this permit will result in its immediate revocation and that any misuse of this permit will result in prosecution. I also understand that this permit does not supersede, and I must adhere to, any local laws, rules, or ordinances that pertain to the properties where this permit will be utilized.

ZC (Initials) I certify that all statements made by me in this application are true and correct to the best of my knowledge, information, and belief and that I understand that knowingly and willfully providing false information and applying for this permit/license is a violation of Section 2921.13 of the Ohio Revised Code for which I am subject to arrest.

Zarjan Carter 1/2/2025  
(Signature of Landowner, Lessee, or Agent) (Date)

## PERMIT CONDITIONS

1. The permittee will be responsible for providing a copy of this permit to all shooters. Shooters must possess a copy of this permit and, if required, a valid hunting license when operating under authority of this permit.
2. This permit may be utilized from sunrise to midnight unless otherwise noted in the special conditions section of this permit.
3. This permit may NOT be utilized during any open deer gun season unless otherwise noted in the special conditions section of this permit.
4. The permit does NOT allow shooting from a motor vehicle contrary to ORC 2923.16.
5. The permittee shall attempt to make arrangements for deer killed to be consumed or used as the person issuing the permit directs. All deer not given away, kept by the permittee/landowner/listed shooter must be disposed of pursuant to ORC 941.14. Deer or parts (excluding antlers) thereof given to anyone must be accompanied with a copy of the Deer Damage Carcass Tag.
6. Prior to moving a deer killed under this permit, the shooter shall either create a Deer Damage Carcass tag for each deer killed or report the deer online as stated on page 3 of this permit. No shooter shall leave a deer carcass unattended unless the completed Deer Damage Carcass tag or Deer Damage Permanent Tag number is attached to the carcass. The completed Deer Damage Carcass tag or Deer Damage Permanent Tag number shall remain on the carcass until final disposition. You MUST check the deer in using one the methods described on page 3 of this permit within 5 business days of the deer being killed.
7. All antlers must be removed from each antlered deer killed under the authority of this permit within 24 hours of the deer being killed and destroyed or buried within seven days of the deer being killed. Under no circumstances may antlers from a deer killed under authority of this permit be possessed by anyone after being destroyed or buried.
8. Pursuant to OAC 1501:31-15-08 this permit is subject to revocation if the permittee and/or a shooter violates any of the listed conditions of this permit or an investigation by the Division of Wildlife determines a violation of ORC 1533.171 has occurred.
9. The permittee understands that the Division of Wildlife will provide the names of Deer Damage Control Permit holders to anyone upon request per ORC 149.43.
10. In granting this Deer Damage Control Permit, the Ohio Department of Natural Resources, Division of Wildlife authorizes the permittee and/or permittee's agent(s) to shoot deer in order to reduce the effects of damage inflicted upon the permit holder's crops and/or property. The State of Ohio, Department of Natural Resources does not limit the scope of shooting activities allowed unless expressly prohibited and/or regulated by the stated "Conditions" of this permit, nor does it warrant any shooting activity conducted by the permittee and/or permittee's agent(s) to be safe, legal and applicable for the circumstances and/or locality for which this permit was issued.

By accepting this permit, the permittee and/or permittee's agent(s) assumes full responsibility for conducting all shooting activities in a safe, legal and responsible manner and agrees to indemnify and hold harmless the State of Ohio-Department of Natural Resources, it's employees, officers, and agents from all liability associated with personal injury and/or property damage, loss and expense, including, but not limited to, damages, legal expenses and cost of defense, in any matter arising from the permittee's shooting activities.

For any questions regarding this permit, you can contact the person that issued you this permit  
OR

1-800-WILDLIFE and ask to be directed to someone handling deer damage in your county

## Step 1 – TAGGING THE DEER

Every person who kills a deer under this permit must immediately make a Deer Damage Carcass Tag with the shooter's name, date and time of kill, and permit number (see example below). This Deer Damage Carcass Tag must be placed on the deer once the shooter leaves the deer unattended at a residence or is delivered to a processor.

	<h1>Deer Damage Carcass Tag</h1> <p>Ohio Department of Natural Resources Division of Wildlife</p> <p>The permittee shall attempt to make arrangements for deer killed to be consumed or used as the person issuing the permit directs. All deer not given away, kept by the permittee/landowner/shooter must be disposed of pursuant to ORC 941.14. Deer or parts (excluding antlers) thereof given to anyone must be accompanied by a copy of this carcass tag.</p> <p><b>You can make copies and use this tag or make up your own with the same information below on it</b></p> <p>Shooter's name: _____</p> <p>Date of Kill: _____</p> <p>Time of Kill: _____</p> <p>Deer Damage Permit #: _____</p> <table border="1"><tr><td><input type="checkbox"/> Antlered</td><td><input type="checkbox"/> Antlerless</td><td>Points: _____</td></tr></table>	<input type="checkbox"/> Antlered	<input type="checkbox"/> Antlerless	Points: _____	
<input type="checkbox"/> Antlered	<input type="checkbox"/> Antlerless	Points: _____			

## Step 2 – REPORTING THE DEER

**Within 5 business days** of a deer killed on a Deer Damage Control Permit you **MUST** report it to the Division of Wildlife. There are 2 options for reporting your deer:

- 1) The easiest and quickest option is to report your deer online at <http://apps.ohiodnr.gov/wildlife/wildlifedamage/tagentry> (you will need the permit and key number, located on the permit, to report your kill)

- 2) Don't have internet? Check your deer by calling 1-800-WILDLIFE. You can call Mon-Fri. between 8am-5pm.

## Step 3 – WHAT TO DO WITH THE DEER

- If the deer has antlers, remove them and dispose of them according to the permit conditions.
- If you take a deer killed on a Deer Damage Permit to a processor for processing, you must provide them a copy of the Deer Damage Carcass Tag.
- If the deer is not getting utilized, properly dispose of the deer according to the permit conditions.
