

**B**e a part of the wonderful improvements for Side Cut Metropark by buying an engraved legacy paver that will be installed near the Lamb Center.

Consider honoring:

A birthday, anniversary or wedding.

A memorial to a loved one.

A memorial to a cherished pet who loved to walk in the park.

A retirement.

Your paver will be incorporated permanently into the landscape and your donation will be used directly to benefit the community effort to enhance the natural beauty and historical treasure that is Side Cut.

**S**anctioned by Metroparks in January 1996, our mission is to enhance and support the Side Cut's natural beauty and to provide educational programs to the public.

We have raised over \$17,000 for the following projects:

- lighted bird identification sign in the Window on Wildlife
- counter and chairs for the WOW
- taxidermy owls for program use
- painting for the Lamb Center
- funding of girls backpacking trips
- bird feeders and houses
- painting of the Side Cut Explorer
- Wayne Street timber frame trail head sign and patio
- research, design and planting of the award-winning deer resistant perennial garden at the Lamb Center.

In addition to educational programming and walks, we also do Make It, Take It workshops.
