

Help Preserve Your Metroparks, Join Today!

With over 12,000 acres of preserved land and 172 miles of trails to explore, your Metroparks offer some of the most stunning outdoor experiences in North America. Working together, we are making powerful progress toward providing clean, safe and natural parks within 5 miles of every resident in Lucas County.

Thanks to the generosity of members and other loyal friends we continue to help expand the Metroparks preservation and educational activities. Each membership helps support important Metroparks initiatives that might not otherwise be possible, like Metroparks Connections Camp that bring over 500 children from disadvantaged communities to nature camp—completely free of charge.
