

Pack & Park

Pack your lunch. Park in a Metropark. Picnic in your car.

As a vital place to unwind and reduce stress, Metroparks remain open for your dose of Vitamin N. Picnicking in your car is the perfect form of social distancing: pack a meal, drive to a Metropark and picnic in your car.

- We are currently experiencing high visitation at Wildwood, Side Cut and Howard Marsh so take a lesser traveled road and visit a new park! Try Providence, Bend View, Farnsworth, Secor, Middlegrounds or our newest park, Cannonball Prairie.
- Share your experience – post pictures. [#mymetroparks](#)
- Help us keep our parks clean, take out what you bring in.

For the safety of our staff and visitors, restrooms are closed.
