Secor Valentine's Glamping, Dinner and Canvas Painting

Treat yourselves to a unique Valentine's Day experience with Metroparks Toledo. Our outdoor cooking experts will satisfy you with four delicious courses before you celebrate the whimsy of winter with a guided painting class. Step-by-step instruction is provided so you can sit back and let your creativity flow. No experience is necessary to create a winter-themed work of art. Once you have created your work of art, nestle in for a calm evening in the Secor Center.

All you need to bring are your personal items. We will bring everything else.
