

Metroparks Toledo Recumbent Tricycles

Hit the trails of Oak Openings Preserve Metropark and set out on an adventure on one of our comfortable recumbent tricycles. These tricycles are limited to the All Purpose trail (brown trail) and the Wabash Cannonball bike trail. For safety reasons, users are required to wear a helmet while riding. You are welcome to provide your own helmet or borrow one.

[Click Here](#) to request a recumbent tricycle. This is only a request. You will receive an email confirmation as soon as possible after filling out the request. If you need assistance filling out this form or if you have questions, please call Ashley Smith, Manager of Public Programs at 419-265-2920.
